

1 Phone ringing

2 REAGAN: Hey, D'ANGELO?

3 LEE: Yes, sir.

4 REAGAN: Okay, I have BILL on the other line, and...

5 HILL: UI Just hold it one second there...DARREN?

6 REAGAN: Yes.

7 HILL: You, you, you, you need to, you need to get

8 BILL straight. Because BILL called over here leaving

9 messages with D'ANGELO about money, he says

10 he's going to pay all this... and he's talking about

11 paying money off PECAN GROVE. I, I, I, what,

12 what I'm close to, is just not doing anything with

13 him at all, because I don't trust him at all now when ...

14 REAGAN: No.

15 HILL: leaves me a message or leaves D'ANGELO

16 a message, and he's talking about paying all this

17 money. He ain't paying nobody no money. BILL ain't

18 paying us no money, over here.

19 REAGAN: No, no, no, ah, DON. Hadn't anything

20 changed from the time that I talked with you last

21 week, and I talked with you this morning. And the

22 time I talked with D'ANGELO last week and the time I

23 just got it off the phone with him. I have given BILL

24 a, a list of things that we have discussed that he

25 needs to, ah, basically, contract with, with our folks.

1 That's it, you know, and I, and I, I don't, and
2 I don't mind sharing that stuff with y'all. And if,
3 you know, ah, this flipping back with TNL and,
4 ah, going with, ah, PRENTICE and, you know,
5 it's, ah, he's, he's just really awful. Much different
6 than what I'd anticipated when we first signed on
7 with it. And I, you know, I don't, I, I told him last
8 week, I don't feel, I'm not gonna argue with you
9 about doing business with African Americans,
10 that's it. And I hand delivered, ah, the package
11 that, that, ah, D'ANGELO had given me on,
12 ah, VESTAL. I hand delivered that out there to him
13 Saturday morning.
14 HILL and LEE talking ...UI
15 REAGAN: You know, because... and so it just, it just...
16 HILL: Let, let, let, let me just say, and, and ah,
17 ah, work with him, try to get done what you need to
18 get done. But, but be real clear with him, that, ah,
19 ah, these, these messages...well, I, I don't even
20 really want to even acknowledge what he's talking
21 about to be honest with you. But, but let him know
22 as clear as you can, that the way he is doing this,
23 and, and the way, from the type of things he's
24 saying, is making me very, very, very nervous
25 about dealing with him at all. And, and I'm, I'm

1 sitting here debating within myself. So, in, in,
2 in just a minute or two, you're not going to be not
3 going to be, you're trying to basically help us to get
4 him, ah, doing what he committed to do. You going
5 to be helping him, just trying to have this deal,
6 because he is making me very, very nervous....

7 REAGAN: Well...

8 HILL: There is no reason, other than, I want, I, I
9 think he has a bad motive, and, and my mama's
10 taught me enough times that when I'm dealing with
11 somebody with a bad motive, I'm going to do better
12 not dealing with it. So...

13 REAGAN: Well, I, I, I agree with you. I will, I
14 have him on the line holding, and I'm just going to,
15 I'm, re-affirm again what I said to him. And when I
16 hung up on him Friday, I didn't have nothing else to
17 say to him about it. He, ah, he indicated he was
18 going to call D'ANGELO and, you know, it, it, that's
19 not a good thing.

20 HILL: And, STUTTERING... and you're right in what
21 you've been saying. D'ANGELO doesn't really
22 have anything UI, doesn't have anything else to
23 do with this really, okay. Give me the names, the
24 information, of, of the folks that BILL...we'll
25 recommend, that these are for, that these are

1 good people

2 REAGAN: Right.

3 HILL: But he still have to do what he's promised

4 in his, in his...

5 REAGAN: I, I have a con, I have a contract...

6 HILL: UI, but DARREN...

7 REAGAN: Yeah.

8 HILL: You need to visit with him, because I am

9 very close to just not dealing with him at all. So,

10 I'm, I'm gonna let you act, okay, so...

11 REAGAN: And I, I...

12 HILL: just let him know that, that he is, just, I

13 mean, he needs to stop that phone calling,

14 leaving messages about stuff that nobody knows

15 what the hell he's talking about it.

16 REAGAN: LAUGHS... Well, ah, he, he felt like

17 he can leave them where he can leave them. He

18 has not called me. And he has not left me any

19 messages and I, I, you know, I'd be happy to show

20 you all my call logs, that, that...

21 HILL: DARREN, you don't have anything to prove

22 to me. I just, I just, I, I, I just, ah, go on, go on and

23 visit with him. Go on and finish your conversation

24 with him, because he...

25 LEE: Just call...finish talking to him and call us back.

1 HILL: Yeah, yeah.

2 REAGAN: I, I got you. And I'll see you guys in the
3 morning at eleven.

4 HILL: Alright.

5 LEE: Call us back when you finish that
6 conversation.

7 REAGAN: I will, I will.

8 LEE: Okay.
